

Letter of Recommendation

September 27, 2023

To Whom It May Concern,

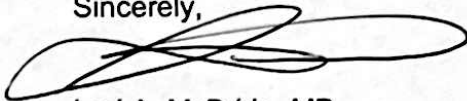

I am writing to enthusiastically recommend Cedric Patin and JC Patin, LLC for any construction or management services. I have worked with Cedric on multiple projects over the last 7 years. He takes pride in every aspect of his work as well as directing the work of others. He is dedicated to maintaining his family's 4 generations of consulting, design and construction heritage. His knowledge, expertise, and ability to find workable solutions become evident when watching him work through complex design and construction issues.

Cedric has been honest and ethical in all his business dealings with me and subcontractors. He communicates well, both when things are going smoothly and (more importantly) when they are challenging. He anticipates potential issues and is proactive about dealing with them.

Cedric enjoys design and has an artistic eye. He knows classic New Orleans and Louisiana architectural styles and is very knowledgeable of green building and green infrastructure. He has proven to be an invaluable resource for my family. I'm proud of the quality of the projects we have completed (most recently a 3 BR, 2.5 bath shipping container home!), and even more proud to call him my friend.

I highly recommend Cedric Patin and JC Patin, LLC for your future projects.

Sincerely,
